### **Virtual Advising Services**

**EducationUSA - Canada helps Canadian students identify and apply for study opportunities in the United States. Through virtual student advising and other services, we offer advice to students about academic programs in the United States, explain U.S. higher education to counselors, and welcome U.S. higher education representatives to Canada. We offer our services through the U.S. Embassy in Ottawa, the U.S. Consulates in Canada, and Fulbright Canada. E-mail the EducationUSA Officer in Canada at [ottawa@educationusa.info](mailto:ottawa@educationusa.info) and visit our website at [www.educationusa.info/ottawa](http://www.educationusa.info/ottawa) where you can access all of our social media channels.**
